TODAY'S NEWS

Yesterday, our guests and helpers had a day full of activities!

Our Maltacamp friends could spend a day in the beautiful Swiss mountains, enjoying the view of the famous Toblerone mountain, the Matterhorn, or some cultural visits to museums. Our brave guests could also enjoy some daring activities such as paragliding, rafting and climbing!

To top it all off, the international night saw guests from 12 of the countries presenting us with the culinary prowess of their respective countries.

PRAYER OF THE DAY

O holy blessed Virgin, our Mother and our Queen. In your humility, poverty and obedience you have glorified your Son. He brought you body and soul to Himself in heaven where he crowned you Queen of Heaven and Earth. Abide by us in our life. Teach us the mysteries of our Faith and help us love one another like your Son loves us, so that we may, at the hour of our death, follow your path to the glory of God. Amen.
