PRAYER OF THE DAY

O Immaculate Mary, Assumed into heaven, you who are most blessed in the vision of God: of God the Father who exalted you among all creatures, of God the Son who willed that you bear Him as your Son and that you should be His Mother, of God the Holy Spirit who accomplished the human conception of the Saviour in you.

O Mary, most pure
O Mary, most sweet and beautiful
O Mary, strong and thoughtful woman
O Mary, poor and sorrowful
O Mary, virgin and mother

woman very human like Eve, more than Eve. You are near to God by your grace and by your privileges in your mysteries in your mission, in your glory.
O Mary, assumed into the glory of Christ in the complete and transfigured perfection of our human nature.

O Mary, gate of heaven mirror of divine light ark of the Covenant between God and mankind, let our souls fly after you let them fly long your radiant path, transported by a hope that the world does not contain eternal beatitude. Comfort us from heaven, O merciful Mother, and guide us along your ways of purity and hope till the day of that blessed meeting with you and with your divine Son our Saviour, Jesus. Amen.

(Saint Paul VI)

LET'S PARTY !

Some pictures from last night's party.

EXCURSION IN SION

Today, we will have the pleasure of exploring the beautiful town of Sion, the capital city of the Canton of Valais.

Sion is renowned for its rich history: the city is crowned by its iconic hilltop castle, called Tourbillon, and its Basilica, called Valère, which offer stunning views of the surrounding vineyards and mountains.

As you wander through Sion's charming streets, you'll discover a blend of ancient architecture and modern culture, with lively markets, historic churches, and cozy cafés inviting you to experience the unique atmosphere of this vibrant Swiss town.

During the bus ride to Sion you might notice the many vineyards around you: the Rhone valley is famous in Switzerland for its wine production. The vineyards contribute to the valley's charming views, contrasting with the high mountains in the background.

Today's visit promises to be a memorable adventure, filled with discoveries and the beauty of Swiss history and tradition.

Today, our priests had the chance to visit to Sion, including the Tourbillon castle and the Valère basilica. They also had a chance to try some local wine and discover the region's history.
