FRIDAY 16TH AUGUST

TODAY'S NEWS

Yesterday we were able to make the most of a sunny and warm day in Sion.

It was fun to discover this Swiss city, roaming in the small roads of the old town to complete a scavenger hunt. The hunt took us past the charming old houses, lively squares, and up-close views of Sion's two imposing hilltop treasures: the Castle and Basilica, both standing proudly above the city and offering breathtaking panoramas.

After a day of exploring and fun, we gathered for a big group picture - you can see it on the cover and on page 8 - can you spot yourself?

The following mass was a time to come together, give thanks, and celebrate the unity that this camp fosters among us all.

We were able to get a little bit of rest in the evening, allowing everyone to recharge the batteries for the next amazing days and parties to follow this week!

PRAYER OF THE DAY

O most holy heart of Jesus, fountain of every blessing, I adore you, I love you, and with lively sorrow for my sins, I offer you this poor heart of mine.

Make me humble, patient, pure and wholly obedient to your will. Grant, good Jesus, that I may live in you and for you. Protect me in the midst of danger. Comfort me in my afflictions. Give me health of body, assistance in my temporal needs, your blessing on all that I do, and the grace of a holy death. Amen.

AMAZING OFF-SITE ACTIVITIES

Today, participants will have the opportunity to discover more exciting activities out of the rich list introduced earlier this week. Some will visit the picturesque village of Zermatt, others will unwind in the soothing thermal baths, and still others will encounter the charming groundhogs of Saas-Fee.

Additionally, groups will have the chance to visit the historic military fortress and the Swiss Guard Museum, gaining a glimpse into Switzerland's rich defense history, or participate in a cheese-making demonstration, discovering the secrets behind one of Switzerland's most representative culinary traditions.

MANY EXCITING ON-SITE ACTIVITIES

Today we have another round of incredible on-site activities you can chose from.

Whether you have been on an off-site excursion on Tuesday or have been on site, we have a wide enough choice of activities to try out something new!

If you would like to get creative and do some arts and crafts, you can look for the scrapbooking stand, the pearl workshop or another of our many arty stands. Are you an aspiring chef patissier, or just have a sweet tooth? Than the cupcake decoration stand is for you. Or a lego fan? We have that covered. And if you want to write a postcard to your dears, there is a place for that.

Of course, there are plenty of activities also for the sporty ones out there: archery, climbing, or maybe minigolf?
