FIESCH AND CHIPS NEWS

SUNDAY 18TH AUGUST

TODAY'S NEWS

Yesterday was a day of deep meaning and reflection as the camp wrapped up with the Christopher's Cup, closing ceremony and the evening mass.

The day kicked off with the Christopher's Cup, where participants joined in a spirited croquet game. As the day transitioned into evening, we gathered for a mass and closing ceremony.

As we prepare for departures, there is a bittersweet feeling among the camp's guests and volunteers. The farewells will be hard, but the memories created here will last long after we part ways. This week has been a journey of friendships made, challenges overcome, and experiences that have left a lasting impact on everyone involved.

As we say goodbye, we carry with us the lessons learned, the laughter shared, and the knowledge that we have been part of something truly special. Safe travels to all, until we meet again - see you next year in the Netherlands!

WRAPPING UP

From exploring the picturesque mountain sceneries of Sion, Zermatt, and Saas-Fee to diving into thrilling adventures like paragliding and river rafting, rock climbing or zip lining, to playing rafroball and working on your creative skills, this week everyone had a chance to try out something new.

The week was also filled with moments of joy and connection, from lively parties to the quieter times of reflection during the masses and the silent night. New friendships were forged and memories were made that will be cherished long after we all return home.
